ASSIGNMENT OF PATENTS

Execution Copy

THIS ASSIGNMENT ("Assignment") is made as of the 28th day of June, 2006, between Beeche Systems Corp., a New York corporation, having a principal place of business located at 688 Wilbur Avenue, Easton, New York 12871 ("Assignor") and Safway Services, Inc., a Delaware corporation, having a principal place of business located at N19 W 24200 Riverwood Drive, Waukesha, Wisconsin 53188 ("Assignee").

WHEREAS, Assignor has adopted, used and is the owner of the patents and patent applications which are pending and registered in the United States and elsewhere in the world and listed on Exhibit A hereto (the "Patents"); and

WHEREAS, Assignor has agreed to assign the Patents to Assignee, and Assignee has agreed to accept such assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, set over and transfer to Assignee, and Assignee's successors and assigns, Assignor's entire right, title and interest in and to the Patents, and in and to all divisions, reissues, substitutions, continuations, in whole or in part, re-examinations, and extensions thereof, and all applications claiming priority therefrom; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, to Assignee; to have and to hold for the sole and exclusive use and benefit of Assignee, and its successors, assigns or other legal representatives, at common law and/or to the full end of the term or terms for which any and all of said Patents may issue, to the same extent as Assignor would hold and enjoy if this Assignment and sale had not been made; together with all claims for damages by reason of past infringement of the Patents with the right to sue for and collect the same for its own use and benefit, and for the use and on behalf of its successors, assigns or other legal representatives.

Assignor also does hereby sell, assign, set over and transfer to Assignee, and Assignee's successors and assigns, Assignor's entire right, title and interest in and to the Patents, in all countries of the world foreign to the United States, including the right to file applications and obtain patents based on the Patents or applications in its own name in said countries and including all rights of priority in said countries under the terms of any applicable international convention; to have and to hold for the sole and exclusive use and benefit of Assignee, and its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent based on said Patents or applications may issue, to the same extent as Assignor would hold and enjoy if this Assignment had not been made.

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this Assignment and sale. Assignor further agrees to execute any and all applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such rights, and also agrees, at the request and expense of Assignee, to testify in any legal proceedings, sign all lawful papers, make all lawful oaths, and
